Carl,

You have a scheduled meeting with Waste Management representatives regarding the San Jacinto site on April 5<sup>th</sup>, 10:30 to 11:30am. Their Director of Communications, Tony Beck, has asked to meet directly with David Gray while he is here. Let me know if you want me to pass this request along to David directly. Thanks.

Al Axe called; MIMC's director of communications, Tony Beck, will be coming to the April 5 meeting, and she would like to meet David Gray. I had said before that David attending the meeting was unlikely, but MIMC really wants us to check. I'm not sure how to proceed, so let me know what you think. Thanks.
